I was born in Texas, but lived in Clovis New Mexico all or most of my life. I like everyone else stayed in Clovis, cause all the kind people, which included the Cannon Air Force Base

Cannon Air Force Base is the heart of Clovis, Potalos, Wm, Melrose N.M. all part of Northern New Mexico West Texas, including Amarillo and Lubbock Texas.

People from all parts of World come here as military and end up retiring and stay here cause it's a Military Town.

The Weather in Eastern New Mexico is great for what Cannon Air Force Base is here for. The Training, Clovis is a great place for military, to seek and find God in their lives, that's why some stay here.

I have reason after reason why Cannon Air Force Base should be removed from the Closure list, But Cannon Air Force Base is Clovis and Clovis is Cannon Air Force Base and its people

So please think about it, we pray like it's all up to God, work like it's all up to us

Yours truly
