As you have probably guessed, we are writing to you regarding the B.R.A.C. list and Cannon Air Force Base in New Mexico. We are a military family of five. Our children have lived in Clovis, New Mexico most of their lives. Recently, we retired from the United States Air Force and purchased a home in Clovis. Because the community has supported us for so many years while at CAFB, its time we support Clovis.

Please take into consideration all the families that will be affected if Cannon Air Force Base remains on the B.R.A.C. list. This is a small community with big hearts and big ideas. This community plans to grow even more in the future. However, Clovis believes that growth will take place with the military members that come and go, and those that choose to stay, like us.

We urge you to reconsider any decision made regarding the B.R.A.C. list and Cannon Air Force Base in New Mexico. Take us OFF the list now!

Thank you for listening. We trust God, and in the name of Jesus Christ, we are putting our trust in a good and logical system.
