June 3, 2005

Dear Commissioner Principi:

I would like to see Cannon Air Force Base taken off the close list.

My late husband and I moved to Clovis in 1965, to open up a H&R Block office. We had several options at other cities to choose from. We chose Clovis for the friendly people of Clovis and Cannon Air Force Base, and served both for 35 years. When I sold H&R to Harold Fri shortly after Mr. Dotson passed away. But I still support the community and the Base with misc. and costumes from Joy's Costumes for different events.

If Cannon is closed it will leave 28% of the working population unemployed.

Thank you for your time.

Thank you,  
Oneda Dotson
