To whom it may concern,

I feel that you should reconsider the decision you have made about shutting down the Cannon Air Force Base. There are many families stationed here. If you were to shut the base down they would have to move again. I know a lot of people who move from place to place and I know they don't like it. They probably want to stay in one place for at least a couple of years. I know I can not make the decision for you, but you should surely think it through.

Sincerely,  
Briana Hernandez
