**BASE VISIT SCHEDULE ANNOUNCED BY COMMISSION**

**27 Bases To Be Visited**

Washington, DC, May 16, 1995 -- The Defense Base Closure and Realignment Commission announced its schedule for visits to bases being considered for realignment and closure as a result of the Commission's May 10 decision to add bases to the Secretary of Defense's list. All dates are subject to change.

Twenty-seven major installations proposed for closure or realignment are currently scheduled to receive a base visit by one or more Commissioners. Base visits provide an opportunity for Commissioners to view a base directly and to investigate first-hand many of the issues related to the military value of the base. The Base Public Affairs Officer should be contacted for visit specifics.

Scheduled visits as of today (a visit to Homestead AFB, Florida will be added to the schedule):

**BASE CLOSURE COMMISSION ANNOUNCES REGIONAL HEARING SCHEDULE**

Five regional hearings to be held between May 25 and June 10

WASHINGTON, DC, May 15, 1995 -- The Defense Base Closure and Realignment Commission announces its schedule of 5 regional hearings to be held around the country. The purpose of these Regional Hearings is to receive testimony from communities affected by the Commission's May 10 recommendations to add 35 bases to the list of installations being considered for closure or realignment.

For oral testimony at regional hearings, each state will be given a block of time in which to make a presentations for all installations affected in that state. The overall time is determined by the Commission on the basis of the number of affected installations and the direct military and civilian personnel lost in each state.

Today's announcement includes the dates, times, and the cities the hearings will be held.

Each major base on this list will receive a visit by at least one Commissioner. Base visits provide an opportunity for Commissioners to view a base directly and to investigate first-hand many of the issues related to that base. Specific base visit dates will be announced soon.

There will be congressional hearings on June 12 and June 13 at which members of Congress will have an opportunity to present their views before the Commission. The Commission will hear from DoD officials regarding the Commission's adds list on June 14.

Washington, DC, April 21, 1995 --The Defense Base Closure and Realignment Commission announces its San Francisco regional hearing schedule today. The purpose of this regional hearing is to receive testimony from communities affected by the Secretary of Defense's recommendations to close or realign domestic military installations.

For oral testimony at regional hearings, each state will be given a block of time in which to make a presentation for **all** installations affected in that state. The overall time is determined by the Commission on the basis of the number of affected installations and the direct military and civilian personnel lost in each state.

Seating should be ample, but admission is on a first-come, first-served basis.

**SCHEDULE FOR REGIONAL HEARING
