

Hi!

My name is Chaylyn Nicole Tibbs. I live in Clovis, NM. Clovis is the home of Cannon Air Force Base. I would really like it if you didn't close our Air Force Base. Our town needs the base.

We also just bought our house. I like it here and I want my Daddy to be able to make enough money so we can stay here.

Please don't close our base. Thank you for listening to me.

Sincerely,

A handwritten signature in black ink that reads "Chaylyn Tibbs". The signature is written in a cursive, slightly slanted style.
