Dear Ms. Walsh:

Enclosed you will find petitions signed by community members who wish for DFAS Rome to stay open. These residents are concerned that the pending potential DFAS closing would have a negative effect on the area. Please keep these petitions on file, as they may be useful for you.

If you have any questions or concerns, please feel free to contact me at my Utica District Office.

With warmest regards,

Sincerely,

Sherwood Boehlert

JUN 27 2005

Six months ago my family and I moved to this wonderful community for my husband's job with DFAS Rome. The BRAC has now put DFAS Rome on its closure list. More than 500 families between DFAS Rome and Rome labs will either lose their jobs or have to be relocated. Jobs need to be brought here not taken away. The quality of life and schools here are excellent. This is a great place to raise a family. Most of us want to stay here and raise our families. If you support keeping DFAS Rome open, please sign this petition.

Thank you,
