The Honorable James H. Bilbray,

I am a single mother of two living in Roosevelt County. I am extremely worried about the BRAC Commission's decision to close Cannon Air Force Base.

We live in a small rural area, and the loss of Cannon would have a large economic impact on us. There will be jobs lost in the field of education, due to many students from Cannon attending school here and in Clovis.

I urge you to reconsider your decision to close Cannon Air Force Base and encourage you to look at the strong qualities this base offers our national defense.

Respectfully yours,

Danica
