Dear Mr. Principi:

I am writing this letter to request that your commission reject the base closing and moving of the 110th Fighter Wing of the Battle Creek ANG Base. I agree with Brig. Gen. Thomas N. Edmonds that moving this base across the state has no military benefit to us, the citizens they protect. Indeed this move is a sell-out of the Guard by politicians and Air force officials who seem to have no regard for all the good things that this unit has accomplished in defense of the citizens of America.

Please read the enclosed article that Brig. Gen. Edmonds wrote that was published in the Battle Creek Inquirer on June 26, 2005. It is a real eye opener.

Thank you for your consideration.
