2005 Defense Base Closure and Realignment Commission
2521 South Clark Street, Suite 600
Arlington, Virginia 22202

Dear Commission Member:

I am writing to ask you to remove Onizuka Air Force Station, in Sunnyvale, Calif., from the list of facilities proposed for closure. I used to drive by the Blue Cube every day on the way to work, and would be dismayed to see it decommissioned. Ellison Onizuka was a good man, and the station does him honor. Thanks for listening to my opinion.

Sincerely,
