Dear BRAC Committee,

Why do we have to close the Base
it is our home and I was born
on cannon and I've go up there when
I'm sick. And I do not want my friends
to leave because I will miss them
and they will miss me. So please don't
Shut down the Base. Plus familys do not
want the Base to close because they
have friends here. So you need to
tell them not to shut down the
Base. Please tell them.

Sincerely,
Brittany
