Dear BRAG Committee man
I am writing in behalf of
Cannon AirForce Base. I know
im just a kid but I can make a
difference. Ever since I lived in
Clovis I have met great friends
and if the base closes I will have
to move away from those great
people. If the base closes the
population of Clovis will shrink
down to $\frac{1}{3}$ of what it is now
which will cause lose of jobs and
friends.

Sincerely
Kylie
