# Keep Cannon

Dear, BACK committee

I am writing this letter to ask you do do whatever you can to save cannon Cannon is a great base if it goes it will hurt cipher so bad that within a few years clair could be dead. Another reason why is some of my best friends will move. The schools will be affected because there will be smaller classes and less teachers.

If cannon does close it will break up friendships, kill businesses, and lose jobs.

Sincerely,  
Joaquin Garcia
