Dear B.R.A.C. Commission,

My name is Brooke Denton, I am a fourth grader at Mesa Elementary in Clovis, New Mexico. Cannon Air Force Base is very important to our small town. Our land goes on and on and on and seems to go on forever! Since the land is a wide open space, it's Perfect for a super sonic airspace. The weather here is never wet, rainy, or cloudy, it's always dry and perfect for a grade A flight! Also, our educational system will help train the military and their families. We invite you to come to Clovis, New Mexico, the one of a kind town! →

RECEIVED

We thank you for your time!

Love,
Brooke Denton
