RE: Portsmouth Naval Shipyard

Dear Members of the BRAC Commission:

We write to you as family members, friends, business owners and most importantly the employees of the Portsmouth Naval Shipyard. The Portsmouth Naval Shipyard has been placed on the closure list. We are asking you to reconsider this decision to close our Navy Yard.

The facts and statistics show that the Portsmouth Naval Shipyard has saved the Navy time and money by returning ships to the fleet ahead of time and under budget. For years the Portsmouth Naval Shipyard has repeatedly completed refueling and overhauls efficiently, economically and safely. Such facts are as follows:

- The Portsmouth Naval Shipyard charges \$20 Million less for each Depot Modernization Period than the Corporate Average.
- The Portsmouth Naval Shipyard completes Depot Modernization Depot's 3 months faster than the Corporate Average.
- The Portsmouth Naval Shipyard charges \$75 Million less for each Engineered Refueling Overhaul than the Corporate Average.
- The Portsmouth Naval Shipyard completes Engineered Refueling Overhaul's 6 months faster than the Corporate Average.

The results of such efficiency by the hard working employees of the Portsmouth Naval Shipyard cannot be ignored.

We appreciate your time in reevaluating the Portsmouth Naval Shipyard.

Thank You,

Drobish Brothers Painting

RE: Portsmouth Naval Shipyard

Dear Members of the BRAC Commission:

We write to you as family members, friends, business owners and most importantly the employees of the Portsmouth Naval Shipyard. The Portsmouth Naval Shipyard has been placed on the closure list. We are asking you to reconsider this decision to close our Navy Yard.

The facts and statistics show that the Portsmouth Naval Shipyard has saved the Navy time and money by returning ships to the fleet ahead of time and under budget. For years the Portsmouth Naval Shipyard has repeatedly completed refueling and overhauls efficiently, economically and safely. Such facts are as follows:

- The Portsmouth Naval Shipyard charges \$20 Million less for each Depot Modernization Period than the Corporate Average.
- The Portsmouth Naval Shipyard completes Depot Modernization Depot's 3 months faster than the Corporate Average.
- The Portsmouth Naval Shipyard charges \$75 Million less for each Engineered Refueling Overhaul than the Corporate Average.
- The Portsmouth Naval Shipyard completes Engineered Refueling Overhaul's 6 months faster than the Corporate Average.

The results of such efficiency by the hard working employees of the Portsmouth Naval Shipyard cannot be ignored.

We appreciate your time in reevaluating the Portsmouth Naval Shipyard.

Thank You,

Raige Kuypers

- The Portsmouth Naval Shipyard completes Depot Modernization Depot's 3 months faster than the Corporate Average.
- The Portsmouth Naval Shipyard charges \$75 Million less for each Engineered Refueling Overhaul than the Corporate Average.
- The Portsmouth Naval Shipyard completes Engineered Refueling Overhaul's 6 months faster than the Corporate Average.

The results of such efficiency by the hard working employees of the Portsmouth Naval Shipyard cannot be ignored.

We appreciate your time in reevaluating the Portsmouth Naval Shipyard.

RE: Portsmouth Naval Shipyard

Dear Members of the BRAC Commission:

We write to you as family members, friends, business owners and most importantly the employees of the Portsmouth Naval Shipyard. The Portsmouth Naval Shipyard has been placed on the closure list. We are asking you to reconsider this decision to close our Navy Yard.

The facts and statistics show that the Portsmouth Naval Shipyard has saved the Navy time and money by returning ships to the fleet ahead of time and under budget. For years the Portsmouth Naval Shipyard has repeatedly completed refueling and overhauls efficiently, economically and safely. Such facts are as follows:

- The Portsmouth Naval Shipyard charges \$20 Million less for each Depot Modernization Period than the Corporate Average.
- The Portsmouth Naval Shipyard completes Depot Modernization Depot's 3 months faster than the Corporate Average.
- The Portsmouth Naval Shipyard charges \$75 Million less for each Engineered Refueling Overhaul than the Corporate Average.
- The Portsmouth Naval Shipyard completes Engineered Refueling Overhaul's 6 months faster than the Corporate Average.

The results of such efficiency by the hard working employees of the Portsmouth Naval Shipyard cannot be ignored.

We appreciate your time in reevaluating the Portsmouth Naval Shipyard.

Thank You,

Thom Wilson
