Commissioner Philip Coyle  
Commission on Base Closings  
2521 South Clark Street, Suite 600  
Arlington, VA 22202

Dear Commissioner Coyle:

The Portsmouth Shipyard is the most efficient shipyard in the nation, as proved by data and commendations. I cannot understand how it could have been listed as a facility to be closed. All four shipyards in our country are needed for the unexpected challenges of the 21<sup>st</sup> century. The Portsmouth Shipyard is capable of doing even more work if necessary. Please do what you can to support the continuation of this important facility.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Hull Richardson".
