Received

Dear Sir:

I wish to thank the two members of the BRAC Commission for visiting Greene County, Ohio, in regards to the Air Force Institute of Technology and meeting with AFIT officials, AFIT students present and past, plus members of the Dayton Coalition - WP 2010 Committee and others from local Universities and elected officials who have been speaking with you in regards to this matter, including our own State Senators and State Representatives. We truly are in dire need of keeping the Wright Patterson Air Force Base AFIT in tact in order to keep the employment of Greene County at an even status quo.

We want to commend you for all your endeavors and questions you have asked. Hopefully we can be able to provide the technical information you so desire in order to maintain and keep the AFIT at Wright Patterson Air Force Base. It has truly been an effort on the part of Greene County constituents, local dignitaries, and Chambers of Commerce to keep the employees and individuals at Wright Patterson Air Force Base and the Air Force Institute of Technology. We are trying to keep our constituents informed in order to make Greene County a better place to work, play and live.

We would like to continue to express our thanks to you and ask for your continued support in trying to maintain and keep the unit at this locale and **not close** AFIT. I would be privileged to answer any questions you may have as Tax Assessor of Greene County and as an individual knowing the status of the flow of income provided by the local constituents and also by those people who work and maintain homes within Greene County, Ohio.

Again, thank you for your time and your consideration. I remain....

Truly yours,

LUWANNA A. DELANEY
