Received

Brigadier General Sue E. Turner
Base Realignment and Closure Commission
2521 South Clark Street, Suite 600
Arlington, VA 22202

Dear Brigadier General Turner:

I want to personally thank you for visiting Red River Army Depot and attending the San Antonio hearing on July 11th.

I believe it was important for you and the other Commissioners to be presented detailed facts that demonstrate the importance Red River Army Depot and Lone Star Army Ammunition Plant have in protecting our men and women in combat.

I am convinced that closing these installations would be harmful to our armed forces due to their significant value to the warfighter. I hope you will continue to analyze the information presented to you and the other Commissioners on July 11th as you come closer to making a decision.

If you need additional information, or if I can be of assistance to you, please to do not hesitate to contact me at (202) 225-3772. I appreciate your service on the 2005 Base Realignment and Closure Commission and look forward to a positive outcome fro our soldiers being served by Red River Army Depot and Lone Star Army Ammunition Plant.

Sincerely,

A handwritten signature in black ink that reads "Mike Ross".
