General James T. Hill,

I am concerned about the BRAC Commission
decision to close Cannon Air Force Base.

I have lived here all my life and
Cannon has always been there.

It would be a shame if it closed.
It will affect our public and
higher education. We at this
University strive for education.

Please reconsider all the facts
before making such a decision.

It is very important to us as
a community.

Respectfully yours,

Dona Mae Skinner
