BRAC Commission

August 8, 2005

AUG 16 2005

Received

The Honorable Anthony J. Principi
Chairman
2005 Defense Base Closure and Realignment Commission
2521 S. Clark St., Ste. 600
Arlington, VA 22202

Dear Chairman Principi:

I received the enclosed comments from Bruce Brovold, a constituent of mine from Fargo. He attempted to submit his comments on the Commission's webpage, but received several error messages. Instead, he sent his message of support for Fargo's 119th Fighter Wing to me so that it could be forwarded on to the Commission.

Please accept Mr. Brovold's comments for the Commission's consideration, and submit them to the BRAC's official records. Thank you for your efforts with this 2005 BRAC round.

Sincerely,

KENT CONRAD
United States Senate
