

DEPARTMENT OF THE AIR FORCE
WASHINGTON, DC 20330-1000

OFFICE OF THE ASSISTANT SECRETARY

15 APR 2003

MEMORANDUM FOR DEPUTY UNDERSECRETARY OF DEFENSE (INSTALLATIONS
AND ENVIRONMENT)

FROM: SAF/IE

SUBJECT: IVT Funding for BRAC 2005

The proposed OSD BRAC policy memo number one assigns the Air Force lead Service responsibility for the Installation Visualization Tool (IVT). The Air Force requires approximately 12 months from receipt of funding from OSD to deliver the Imagery and basic IVT feature information (Base Boundaries, Wetlands, AICUZ Arcs, Floodplains, and Ranges). As of this date we have not received funding or a timeline for delivery of the IVT material. In order to support OSD and the Services in this effort, it is essential that we receive your deadline and appropriate funding as soon as possible.

A handwritten signature in black ink, appearing to read "Nelson F. Gibbs".

NELSON F. GIBBS
Assistant Secretary
(Installations, Environment & Logistics)
