MEMORANDUM FOR SAF/IE

FROM: SAF/IEB

SUBJECT: Annual Statement of Assurance

As Deputy Assistant Secretary (Basing & Infrastructure Analysis), I recognize the importance of management controls. I have taken the necessary measures to ensure that the evaluation of management controls has been conducted in a conscientious and thorough manner. The results indicate the system of internal accounting and administrative control in effect during FY 2004, taken as a whole, provides reasonable assurance that the objectives of the FMFIA were achieved. No material weaknesses were identified.
