MEMORANDUM FOR ACTING USD (AT&L)

FROM: SAF/IEB

1665 Air Force Pentagon
Washington, D.C. 20330-1665

SUBJECT: AF Data Call #1, Adjudication of Data Affecting the Industrial JCSG

REFERENCE: SAF/IEB Memo, 1 Jun 04, AF Targeting of Depot Maintenance Activities,
Industrial Joint Cross Service Group

Over the past 10 days the Hq Air Force Depot Maintenance Functional POC has reviewed the Industrial JCSG capacity database. Working with the affected Major Commands and installations, he adjudicated appropriate changes to reflect consistency and accuracy in the data. All data base changes followed the protocol established in the AF BRAC 2005 Internal Control Plan. The result of this effort will be reflected in the updated AF Data Call #1 release on 7 Jun 04. When you receive the updated database, it will report the following Air Force Depot Maintenance facilities:

Davis-Monthan AFB AZ, Tucson, AZ
Hill AFB UT, Clearfield, UT
Lackland AFB TX, San Antonio, TX
Palmdale-Boeing, Lockheed-Martin, Northrop Grumman, Cheyenne, CA
(Plant 42, GOCO Facility)
Robins AFB GA, Warner-Robins, GA
Schenectady County APT AGS, Schenectady, NY
Tinker AFB OK, Midwest City, OK

With this memo I rescind reference memo. Our POC is Ms. Carol Conrad, SAF/IEBJ,
(703) 614-5684.

A handwritten signature in black ink, appearing to read "Michael A. Aimone".

MICHAEL A. AIMONE, P.E.
