**Re: CANNON AIR FORCE BASE ON CLOSURE LIST**

**HONORABLE COMMISSIONERS:**

*Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.*

*It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.*

*It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.*

*All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.*

*I'm looking forward to attending your meeting in Clovis next month.*

*Sincerely;*

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

*Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.*

*It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.*

*It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.*

*All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.*

*I'm looking forward to attending your meeting in Clovis next month.*

Sincerely;

*Jose Sanchez*

**Re: CANNON AIR FORCE BASE ON CLOSURE LIST**

 RECEIVED

**HONORABLE COMMISSIONERS:**

*Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.*

*It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.*

*It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.*

*All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.*

*I'm looking forward to attending your meeting in Clovis next month.*

*Sincerely;*

*My P. Maes*
