General Lloyd W. Newton

I wish to take the opportunity
 to express my support for
 keeping Cannon Air Force Base
 in Clovis, New Mexico open.

I believe Cannon offers unique
 attributes that the Commission may
 not be totally aware of. These
 include an abundance of air
 space and lack of encroachment,
 excellent year-round flying weather,
 the airspace and lack of restrictions
 to more closely emulate actual
 battle conditions regarding flight
 speed and patterns as well as
 the close proximity of a bombing
 range.

The closing of the base will
 have a major impact economically
 for Clovis + Roswell which is
 comprised of a high minority
 population as well as significant
 poverty levels.
