Dear Mr. Principle,

I would like to commend you and the other members of the BRAC Commission for the way you handled the very task you undertook. You acted as those bases were your own personal families & strangers. In this day, when it seems no one cares about others you proved that wrong.

The 188th Fighter Wing in Ft Smith are very grateful and appreciative. I received so many phone calls from friends to tell me how happy they were. They said your brother will be so proud when he comes home because you took a stand for his job.

I did it for all of the 188th. They are the best. They are valuable

to the military.

We feel my brother  
 will be home in a couple  
 of weeks. I want to  
 stand in line with  
 his wife, children, our  
 mother and when it is  
 my turn hug him, tell  
 him I love him and  
 how honored I am to  
 be his sister. I want  
 to share with him the  
 BRAC realizes your service,  
 your firefighting training  
 center being the most  
 used in the US, and  
 how cost effective your  
 base is to the military.  
 I want to tell him about  
 none of the finest people  
 in the world. I want  
 to know how your honesty  
 and sincere you were with  
 his future. Most of all,  
 I want to tell him how  
 God worked a miracle  
 how the 188th. How  
 fortunate we are and how  
 many blessings we have to  
 count. We are so blessed.

I pray for God's blessings  
for all of the BRAC Commission,  
your staff and families. It  
gives us hope America, is  
still the greatest nation  
in the world.

Thank you again very  
much. I don't what I  
will be doing every Monday  
as I have been writing  
you every week since June.

God Bless America  
and peace for all.

Sincerely,

Pranda Malinda
