To the BRAC Commission,

I want to request that you vote to keep Cannon Air Force Base.

Cannon does not fit the criteria provided for base closure.

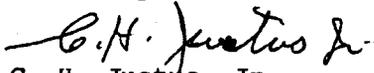

Once the NM Training Range Initiative is implemented, Cannon will be able to offer pilots the ability to fly supersonic during training missions.

The weather in eastern NM provides year-around training. Also, Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations. The air space and weather make Cannon the perfect candidate to support future training mission for the F-22, Joint Strike Fighter, and other military aircraft.

Our economy relies on Cannon more than any other area in the country. Cannon closing would have a great negative impact on the economy of Clovis, Portales, Melrose and West Texas towns.

Thank you for recommending keeping Cannon.

Sincerely,

C. H. Justus, Jr.
