Dear General Newton:

First, it is an honor and a privilege to write to you. I am using this letter to voice my concerns over the BRAC closure list, specifically Cannon Air Force Base near Clovis, New Mexico. As a former resident of Clovis, Navy veteran – Viet Nam 68-69, and graduate of Eastern New Mexico University in Portales I feel that the BRAC is making a critical mistake in this proposed closure action.

The surrounding area residents, Cities, Counties and State Governments of New Mexico and Texas are extremely concerned about the economic effects and outfall of the proposed closure. I share their concerns for the future of the area and I have a strong concern of the loss of Cannon to our military machine. Cannon and its future should be considered very strategic to our military and in its long range planning.

If Cannon is closed, our military will lose an extremely well situated facility that cannot be easily replaced, economically or physically. Cannon has the capability, flexibility and open air space to serve all branches of our military as a support base and training facility.

Training is critical to the readiness of all military programs. Training promotes efficiencies, eliminates mistakes, saves money and most important of all – it saves lives. Our fighter pilots must continue to receive the best training available and a key factor to that is having a world class training facility. No other military base has immediate access to unencumbered air spaces such as the Melrose Bombing Range and the New Mexico Training Range that is being implemented, both immediately adjacent and accessible to Cannon year round. Both ranges are well suited to support aircraft of any type or service branch; Air Force, Navy, Marines or Army.

Much of the air space and easements around Cannon were purchased and given to the Government by Clovis in its ongoing support of Cannon Air Force Base.

I urge you and your colleagues to review and re-consider the actions set forth by the BRAC. Please - Support our Troops - Keep Cannon. I wish you and your team well on the upcoming visit to Cannon Air Force Base and the Clovis area.

I would be glad to discuss this issue with you or anyone on the BRAC Commission; I can be contacted at (618) 692-3819 or at my office (314) 335-4357. Thank you for your time.

Sincerely,

Bill Bullion
