Dear Anthony J. Principi,

This is my input concerning your decision to close Cannon AFB in Clovis, NM. Here are a couple of reasons we have to offer to keep Cannon open as well as the major impact it would have on the surrounding community.

The weather in Eastern New Mexico provides a year round training ability with the exception of a few windy days; this in turn is ideal for perfect flying weather.

If Cannon goes so does the support from the area citizens for the bombing range and the supersonic flying in this area.

Sales will decrease – Unemployment will increase.

The Impact to schools is projected to close 3 Grade Schools and 1 Junior High. High School 30% reduction, ENMU (Portales) 25-30% reduction, also CCC (Clovis) 28-35% reduction. This affects classes offered on Base for CCC and ENMU as well.

The government will reimburse any military personnel for homes they own, or will buy and absorb any remaining homes. (1000 homes @ \$95,000 each = \$95 million tax dollars). Causing all homes to devalue.

We estimate that there are approximately 12,000 homes and apartments valued at \$95,000 each = 1 Billion 140 million. If Cannon closes, real estate will drop 25-30% in value = \$285 million in losses.

WE strongly urge you to reconsider your decision and “Keep Cannon”.

Sincerely,

Carl Coslett
