MEMORANDUM FOR HSA JCSG

SUBJECT: Base Realignment and Closure (BRAC) 2005 Certification of  
Information – Military Value Data Call

The HSA JCSG requested additional data that expounded on the BRAC Military Value Data Call question 1912 targeted for answer by the Washington Headquarters Services. WHS treated this information as additional data for 1912 and not as a revision to our original certified response for 1912. The additional data has been uploaded to the AT&L Portal, titled #1912 Additional Data.

I certify that the additional information requested by the HSA JCSG provided in this response is complete and accurate to the best of my knowledge and belief.

A handwritten signature in blue ink that reads "Howard G. Becker".
