Dear CW:

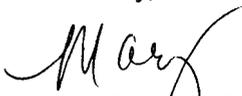

I wanted to alert you to the selection of Naval Facilities Engineering Command, Southern Division for the prestigious 2005 U.S. Air Force Construction Agent of the Year Award.

NAVFAC, Southern Division was selected over all other NAVFAC commands and the U.S. Army Corps of Engineers for its professional management of design and construction for the Air Force. I have attached a copy of the award announcement for your review.

This honor further validates the military value of NAVFAC, Southern Division and its ability to serve its customers.

Please contact me at 843/805-3043 if you have any questions or need additional information.

Sincerely,

Mary Graham, CCR

SUBJECT: 2005 USAF Agent Award Program

1. It is with great pleasure we announce that after careful evaluation of our agents, we selected Southern Division as ACC's 2005 Construction Agent of the Year. The Division will advance to compete at the Air Force level.
2. To honor this accomplishment, we will present the award during our annual Design Awards Luncheon, 17 Feb 05, 1130, at the Omni Hotel in Newport News, Virginia. This luncheon is being held in conjunction with the ACC/Agent Workshop, 16-18 Feb 05. If you have questions, please contact Mr. Charles London at [charles.london@langley.af.mil](mailto:charles.london@langley.af.mil) or (757) 764-4370. Again, congratulations and we greatly appreciate the Division's support in the execution of our MILCON Program.

**All:**

I am proud to announce Southern Division's selection as the Air Force Construction Agent of the Year. This award recognizes the organization that provides the most professional management of design and construction for the Air Force. Congratulations and thank you to everyone at the HQ and field offices that worked on Air Force projects for us this year. You have once again exceeded all client expectations of the critical AF missions we support. It is great to see you recognized for this superb effort.

R/ Bob
