CH: Below is the response to Ms. Wasleski's e-mail. Please forward. Thank you.

COL Carla Coulson

Questions: In the COBRA data on page 66 for Indianapolis in the line for mission activity there is a recurring cost of \$\$2,13 8 M. What does this cost represent?

Response: Reference page 66, Recurring Mission Activity Costs: FY09 – 671K; FY10-- 1,711K; and FY11 -- 2,138K each represent the estimated cost for that FY to lease additional administrative space over the amount DFAS reported as assigned in the Indianapolis GSA building.
