Dear Mr. Meyer:

I respectfully request a written response from the Department of Defense concerning the enclosed document:

- Base Closure & Realignment Commission question
- Question for the record
- Community input
- COBRA Please see below

OTHER: Please explain whether work on submarine communications to adjust to the shift in emphasis from open sea operations to littoral operations is a critical one and whether moving work and facilities in the communications would delay that work. If so, please modify the COBRA to reflect required timeframes.

I would appreciate your response by July 1, 2005. Please provide a control number for this request and do not hesitate to contact me if I can provide further information concerning this request.

Yours sincerely,

Frank Cirillo
