Dear BRAC,

My name is Dale Nee,
I'm From Boston, MA,
What I truly
Fail to Under-
stand, is exactly
Why in the world
are we closing
down military
bases right
when we are
at war, It
makes no
sense that
we now are
closing bases
at the exact

time we are
at war against
2 countries,
These base
closings only
show how little
Donald Rumsfeld
cares about our
military. We
need these
bases open now
during this
critical point
in time. America
right now is
vulnerable,

by closing bases,
we make our-
selves more
vulnerable to
our enemies

Why does no
one see this?
During war-
time is the wrong
period to close
military bases.

We need protec-
tion! We're at
war with 2

nations. How can
this make sense?
Mr. Dale
