Re: Public Records Request

Dear Sr.A. Casigne,

Pursuant to A.R.S. 39-121 *et seq.*, and/or the Freedom of Information Act, please produce either electronically or for inspection and copying, any and all records or other matters pertaining to the items listed below. This request is being made for a non-commercial purpose.

1. A list, or Excel spreadsheet or any other spreadsheet, of all noise, health, safety, environmental or other complaints received from the public concerning Davis Monthan Air Force Base and overflights or airplane noise, or flight operations or similar activities, received by your office from October 1, 2002 through to the present, to include the date of the complaint, any recorded details made in the complaint, the name, address, and zip code of the complaining party as well as the telephone number.

2. Copies of all formal responses or reactions to the above complaints made by your office or your designee, including but not limited to press releases, correspondence, emails or other electronic correspondence, telephone logs, etc.

3. If your office referred any of the above complaints for follow-up or response by another department, agency, office, public officer or official, for each complaint so referred, please provide the name and contact information for such departments, agencies, offices, public officers, or officials.

Thank you in advance for your prompt response to this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Leslie Owen", with a long horizontal flourish extending to the right.
