RE: Oceana Naval Air Station

Dear Chairman Principi,

I am writing in full support of an earlier letter addressed to you and dated August 8, 2005 from Virginia Delegate Terri L. Suit. In that correspondence Delegate Suit proposes permanent statutory solutions regarding encroachment around Oceana NAS and Fentress Air Field. As the State Senator representing the 24th Senate District and as a representative of the Commonwealth as a whole, I fully support the proposed legislative solutions offered by Delegate Suit and the rest of the delegation representing that area.

I understand the value and benefit of Oceana NAS and the Fentress Air Field here in Virginia and will do my utmost best to assist Delegate Suit in getting her proposed legislation passed in order to keep Oceana NAS open and fully operational.

Do not hesitate to contact me should you wish to discuss my support further. You can reach Legislative Aide, Holly Herman, or me at Hanger & Associates by phoning (540) 885-6898, at the above letterhead address, or at district24@sov.state.va.us

Thank you for the opportunity to voice my support of these efforts.

Sincerely,

Emmett W. Hanger, Jr.
