Dear Chairman Principi and BRAC Commission Members;

Enclosed please find an additional petition signed in support of keeping open the Portsmouth Naval Shipyard.

This petition comes from Newfields, which is not located along New Hampshire's coastline but is another community keenly aware of how devastating it would be to close PSNY -- both in terms of the State's economy and America's defense.

Please add these additional 25 names to the more than 10,000 signatures already submitted to your Commission in favor of keeping open the nation's No. 1 submarine shipyard.

Warmest regards,

Evelyn Sirrell
Mayor of Portsmouth

SAVE OUR SHIPYARD PETITION

11

We, the undersigned citizens, are deeply concerned about the future of the Portsmouth Naval Shipyard. It is a facility accomplishing work that is vital to the security of this region and this country. In addition, it is a cornerstone of the economic wellbeing of many surrounding communities. For more than 200 years the Portsmouth Naval Shipyard has served this country. In the centennial year of the Treaty of Portsmouth, negotiated and signed at the shipyard, we entreat your support to maintain and build on this unique source of strength that is a distinguished part of our heritage. We request that you SAVE OUR SHIPYARD!
