	JOINT LAND USE STUDY	SUSTAINABILITY	PRIVATE LANDS INITIATIVE
PURPOSE	To accommodate the growth and development of the region without compromising the military missions of Fort Bragg and Pope Air Force Base.	To integrate resource planning and management throughout the installation (Sustainable Fort Bragg) and the surrounding communities (Sustainable Sandhills), to ensure optimal military training and a high quality of life.	To protect approximately 30,000 acres of land surrounding the installation, while ensuring compatibility with land use objectives. This will increase training land with minimal restrictions.
PARTNERS	Fort Bragg, Pope Air Force Base, State of North Carolina, 7 Surrounding Counties, and 11 Local Municipalities.	Fort Bragg, Environmental Protection Agency, State of North Carolina (Secretaries of Department of Environment and Natural Resources, Transportation, Commerce), 6 surrounding counties and associated communities, and the Sustainable Sandhills Leadership Council.	Fort Bragg, U.S. Fish and Wildlife Service, Army Environmental Center, NC Wildlife Resources Commission, The Nature Conservancy, and the Sandhills Ecological Institute.
