Dear Mr. Meyer:

I respectfully request a written response from the Department of Defense concerning the enclosed document:

Please rederive economic impacts for the action on Mississippi Army Ammunition Plant (MAAP) using Gulfport-Biloxi MS MSA as its economic area or region of influence (ROI) instead of Picayune MS Micropolitan Statistical Areas.

COBRA database identifies the location for MAAP: 89°25' in longitude and 30°20' in latitude. The correct location places MAAP entirely in Hancock County, which is part of the Gulfport-Biloxi MS MSA.

Joint Process Action Team on Criterion 6 (JPAT 6) requires economic impact analysis on "existing communities in the vicinity or region of influence of military installations."

I would appreciate your response by July 15, 2005. Please provide a control number for this request and do not hesitate to contact me if I can provide further information concerning this request.

Yours sincerely,
