RE: Cannon Air Force Base

Dear Chairman Principi:

I am President of the Hartley House. The Hartley House's function is to provide services in the surrounding counties including Roosevelt, DeBaca, Curry and Quay for victims of domestic violence.

Our mission is to help those individuals and families who are victims. That help includes providing a safe house/residence with staff, living facilities and food. It includes providing counseling to both victims and perpetrators and funds for legal counsel for victims during the process of a divorce or legal separation.

In this regard, the Board of Directors, throughout the year, holds various fundraising events and functions.

Cannon Air Force Base and its military personnel are vital in providing assistance to us at the Hartley House. We traditionally host our Valentine's Day Extravaganza at the Officers Club/Landing at Cannon Air Force Base because it is the nicest and largest facility available for the purposes of our fundraiser. Additionally, Base personnel have assisted us: (i) at our fundraising functions; (ii) in the maintenance and repair of our safe house; (iii) and in serving on our Board of Directors.

We have a close affiliation and bond between our Board and Cannon. Clovis, New Mexico, is a town that is used to Air Force families transitioning in and thus is readily willing to integrate Base personnel into our community. In that respect we are much more "cosmopolitan" than one would expect. Base personnel bring to us new energy, new direction, and new ideas, which are readily accepted by our Board.

The closing of Cannon Air Force Base would be devastating to this community in terms of the loss of jobs, divorce/separation, alcohol and substance abuse and incidents of domestic violence. The Hartley House would be overwhelmed by the need for our services and our ability to fundraise would be greatly diminished without the input, assistance and cooperation of Cannon Air Force Base and its military personnel.

We know that reaching a decision pertaining to Cannon Air Force Base will be thoroughly and competently reviewed and evaluated by you and trust, that you, will agree with us that Cannon is a spectacular base, an asset to Clovis/Portales and eastern New Mexico areas, as well as the United States and our citizens.

Please vote to keep Cannon Air Force Base open.

Thank you for your consideration in this regard.
