To whom it may concern;

I'm not a veteran, but very concerned about the base at Niagara Falls being closed.

My son and daughter in law are in the Air National Guard. They are both going on 7 yrs in the Guard. They live in Angola, NY but travel back and forth to the Niagara Falls Base which is about 50 miles away for their commitment to their country. My son loves being in the ANG. He *volunteered* to go to Qatar as a medic. They have three daughters under the age of four and it would be very hard to find a base to do their commitment from a location farther away.

He thought about going full time Air Force and then got accepted at the academy for NYS corrections.

I have other reasons I want the Niagara Falls base to remain open, one being security. We are extremely close to a water way, a major power source and a foreign border. What other reasons do we need to keep the base open.

PLEASE DO ALL AND ANYTHING NECESSARY TO KEEP THIS BASE OPEN.

Sincerely yours,
