Dear Commissioners,

Please keep Cannon Air Force Base. My husband and I have been stationed here at Cannon AFB for over one year. It has been an enjoyable and positive experience for me, especially as this is my first base. The Clovis and Portales communities have been so welcoming and I consider this area my home. The people are supportive of the base and of the mission of the military. My husband and I have found friendship and comradery here. The servicemen stationed at Cannon have repeatedly shown exemplar service and performance as is shown by the many achievements and awards and we are proud to be a part of it. I am confident that as you review this recommendation you will find Cannon AFB to be one the military's finest installations and make your proposition to keep Cannon.

Sincerely,

Monica J. Woods
