To Whom It May Concern:

Please don't close CANNON AIR FORCE BASE!

We depend too much on CAFB being a part of our communities in Clovis and Portales.

Cannon staff and families have become OUR families. We are together in church, sporting events, neighbors and FRIENDS. I have made life-long friends with many that have come thru Cannon in the past 50 years.

I ask that you PLEASE reconsider your decision about closing Cannon Air Force Base.

Respectfully submitted,
