

Dear Base Committee  
RECEIVED  
My name is ~~John~~ Asher  
Rungquist, and I am

currently living in Davis.  
I moved here three years  
ago. I have lived many  
places but Cannon is  
the most accepting place  
I have ever lived. If  
you were to close Cannon  
this accepting place would  
be lost.

I also would like  
to say that ~~these~~ these  
schools are some of the  
best I have ever attended.  
If the base closes  
the school would basically

be gone also.

In closing I would like to say that closing this base would be a big mistake. Most of the people here in Clovis depend on that base.

Sincerely,  
Ashley  
Hunquist
