Dear Sirs:

As a resident of Clovis, NM since 1927 and a Veteran of WWII and Korea, I have seen the people of Clovis give their young men into service to National Security.

My Father served in WWI, my sister (a nurse) served in (AAC) WWII, my older Brother served in (AF) in WWII, and my younger Brother (Ret. Col.) served in (AF-B-52AC) in Korea and Vietnam; therefore I know that the people of Clovis give their "Heart" to all service men of Cannon AFB!

I know that Cannon AFB contribute more than 20 percent economically to the finances of Curry County (Clovis). They are our "Hearts" of the Community.

We invite ^{each} you to stop at Clovis, NM to know how the people of Clovis, NM want and need Cannon AFB.
