Dear BRAC Commissioner,

I urge you to convey my interest in maintaining the military installation NAS JRB Willow Grove, located in Horsham, PA. This installation is the model of joint use base facilities whose strengths include:

- Working Joint operations including all services except Coast Guard
- Critical/strategic location near all Northeast Corridor major metropolitan and port areas
- Vital part of Homeland Defense & Security for the East Coast
- Huge economic impact to our local region
- Modern, 8,000 ft. runway and modern Digital Radar Air Control System (one of only four in the U.S. and available for Emergency Preparedness and operations)
- Strong community support

I appreciate your representation and thank you for conveying this strong message.

Sincerely,
