

**BRAC 2005**  
**Industrial Joint Cross-Service Group**  
**Meeting Minutes of March 24, 2003**

Mr. Michael Wynne, Principal Deputy Under Secretary of Defense for Acquisition Technology and Logistics, chaired this meeting. The list of attendees is attached.

The Chairman opened the first meeting of the Industrial Joint Cross-Service Group (JCSG) with introductions. Members were then asked to sign nondisclosure statements, if they had not done so previously. The members were also provided a document (attached) describing the need to protect BRAC information and provided samples of a nondisclosure statement, cover sheet, and headers/footers to include on BRAC documents.

The Chairman then presented the group with a draft (attached) of the Industrial JCSG's report due to USD(AT&L) by March 31, 2003. The JCSG discussed the draft and made a number of modifications. Among the changes were a regrouping of the functions into three categories of maintenance, ammunition and armament, and shipyards overhaul and repair vice maintenance, electronics, ammunition and shipyard and repair contained in the original draft. There was general agreement that the Industrial group should examine the full life cycle of ammunition and armaments, including supply and storage. There were also various minor adjustments to subcategories.

The Chairman requested that each JCSG member provide detailed comments on the draft to enable the JCSG to complete its report in time for the March 31, 2003, suspense.
