MEMORANDUM FOR OSD BRAC CLEARINGHOUSE

SUBJECT: OSD BRAC Clearinghouse Tasker 0664 – Leased Facilities in the NCR  
Interim Response

1. Reference response to information request, 25 July 2005, from Mr. Frank Cirillo, Director, Review and Analysis, BRAC Commission, subject as above.
2. Request/Question: I respectfully request a written response from the Department of Defense concerning the following request:

Please provide the following information regarding all units and organizations in leased facilities in the NCR: organization name; personnel authorization (officers, enlisted, civilians, contractors, total); building name; building address; square feet occupied; cost of lease in FY 2004 dollars; lease termination date; gaining installation; pertinent DoD BRAC recommendation.

I would appreciate your response by July 28, 2005. Please provide a control number for this request and do not hesitate to contact me if I can provide further information concerning this request.

3. Response: Following a conversation on July 26, 2005 with Mr. Tim Abrell in which he indicated that the Commission's primary interest as reflected in the noted inquiry pertained to recommendations made by the HSA JCSG, we are attaching an Excel spreadsheet that provides most of the requested data about all HSA JCSG recommendations that impact the NCR. The HSA JCSG did not gather information via the BRAC certified data gathering processes regarding the cost of leased space in FY2004 dollars and lease termination dates, and, as such, that information is not provided in the spreadsheet. The matching of buildings and leases with BRAC recommendations is complex and potentially quite time-consuming. The HSA JCSG will review with Washington Headquarters Services the availability of the remaining data and will contact Mr. Abrell to discuss the results of this meeting.

4. Coordination: N/A.
