Dear Marilyn:

I was thrilled to hear of the BRAC Commission's recommendations to keep DFAS Cleveland open, as well as the site in Columbus. This decision is a true blessing for our community in Cleveland, and for all of Ohio.

I want to thank you for all of your efforts during the course of this process. I also greatly appreciate your willingness to meet with my staff during this process, as well as the various members of our community. We truly felt that we were being heard during this process, and that our data, facts, and concerns were fully considered.

I look forward to working with you when you get to the GAO. Thank you again for the hard work that you put into this process.

Sincerely,

George V. Voinovich  
United States Senator
