Re: Removing Cannon Air Force Base from the Closure List

Dear Commissioner Coyle:

Please consider overturning the Department of Defense's BRAC recommendation to close Cannon Air Force Base. Cannon has always been a part of this community as I have come to know being raised here. Many people who have retired from the military call Clovis and other surrounding areas of Cannon home, as well as the many civilians who work at Cannon, they depend on Cannon. Though I am not a member of the military myself, I have seen the benefits to both of these groups. Clovis and Cannon have a strong relationship, and I believe that the closing of Cannon would have a great impact on the community. I just urge you to please consider the support for Cannon in the surrounding communities, the wide open air space provided for training, and the criteria for closing a military base.

Sincerely,
